

IDENTITY AND PROVENANCE RECORD

From salutogenic resources to objective stress phenotyping in university students: a critical narrative review of sense of coherence, lifestyle, and physiological measurement

Version of record of the JDHAB review article examining salutogenic resources, sense of coherence, lifestyle, and objective physiological measurement in university students. The AXIS record preserves the published PDF, HTML representation, audio summary, and table images with file-level SHA-256 checksums. It documents identity, provenance, access, and documentary continuity; it does not independently certify scientific merit, clinical validity, regulatory approval, or editorial outcome.
